RTO Code: 31518 | CRICOS: 03569A

Certificate IV in Automotive Mechanical Diagnosis
RTO Code: 31518 | CRICOS: 03569A
Course Code: AUR40226

Elective Units

- AURTR101 Diagnose complex faults in engine management system
- AURLTE104 Diagnose complex faults in light vehicle petrol engines
- AURLTX104 Diagnose complex faults in light vehicle automatic transmission and driveline system
- AURLTB104 Diagnose complex faults in light vehicle braking system
- AURAEA004 Manage environmental and sustainability best practice in an automotive workplace
- AURLTE105 Diagnose complex faults in light vehicle diesel engines systems
- AURTTA125 Diagnose complex faults in- vehicle integrated stability control system
- AURLTD109 Diagnose complex faults in light vehicle steering and suspension system
- AURETR037 Diagnose complex faults in light vehicle safety systems

Core Units

- AURTTA121 Diagnose complex system faults

Delivery Methods

Blended combination of classroom/simulated. This includes face to face simulated/theory instruction, self-directed learning and final assessment. Students will be required to attend practical classes held in workshops, which include standing, working with and handling tools, and will need to organise PPE as per health & safety requirements

Certificate IV in Automotive Mechanical Diagnosis
RTO Code: 31518 | CRICOS: 03569A
Course Code: AUR40226

DURATION

This is a 26 weeks full time course.

COURSE OVERVIEW

This qualification reflects the role of individuals who perform advanced diagnostic tasks in the automotive retail, service, and repair industry. Get certified as a mechanical technician with the AUR40226 Certificate IV in Automotive Mechanical Diagnosis. During the course, you will learn how to perform advanced automotive diagnostics. You will broaden your knowledge by learning how to diagnose complex faults in gasoline engines, electronic ignitions, braking systems and engine management systems. Furthermore, you will receive training in the analysis and maintenance of hybrid and electric vehicles, the repair of transmissions and drive assemblies, the management of environmental compliance and occupational safety.

POSSIBLE CAREER OUTCOMES

- Automotive Master Technician
- Heavy Vehicle Master Technician
- Mechanical Overhaul Technician
- Performance Vehicle Technician

PATHWAYS

After completing AUR40226 Certificate IV in Automotive Mechanical Diagnosis, students may progress to AUR50116 Diploma of Automotive Management.

ENROLMENT PROCESS

- Choose your course and check your entry requirements.
- Complete the International Student Application.
- Attach all the supporting documents (GTE form, Academic Certificates and Transcripts, Passport, IELTS/PTE Certificate).
- Submit your application via email (admission@nomicollege.com.au) or through the agent.
- Receive the letter of Offer (for successful application).
- Return the signed acceptance form.
- Pay the fees as stated in your letter of offer.
- Receive an electronic confirmation of enrolment (eCOE)
- Apply for your student visa (check with DOHA for information on student VISA). Visit <https://www.homeaffairs.gov.au>

ENTRY REQUIREMENTS

- Must be 18 years or above before commencement of study at Nomi College.
- Successful completion of Year 12, equivalent (Higher Secondary Certificate/ vocational higher secondary certificate or
- Certificate III Level Qualification from a AUR training package or related
- Nomi College may also accept you in this course if you have any other relevant qualifications, certifications, and/or experience;
- A minimum overall score of 6 is required for candidates with IELTS with a minimum score of 5.5 in each band or a minimum PTE score of 52 is required.
